

**Key P-16 Pipeline Data Points:**

**High School to College -- We should send more high school graduates to college and send them equipped to succeed:**

44,000 graduates, 9 of 10 took ACT  
6 of 10 taking ACT self-reported as having taken core  
18,000 went to public TN institutions

Of 18,000, 21.2 ACT comp with core/19.1 without  
2 of 3 had core  
Fall 2002 GPA 2.6/2.2

Percent any developmental: one in three core 34%; one half non-core 52%

Fall 2004 (2004 high school graduates) in R/D courses, full- and part-time:  
39% in any R/D course  
26 university totals  
65 two-year  
Math?

**Higher Education – We should improve persistence to graduation:**

For the 1998 cohort, persistence to graduation was:

TBR universities	42.82
Univ. of TN	58.39
All Univ	49.19
Two-year	25.10

What factors change the profile?

TN lottery scholarship  
120/60 hour degree requirement reductions  
Dual Enrollment grant
